The Hague, 23 January 1995

Dear Cherif,

Thank you for your letter of January 9, 1995 and for the copies of the Annexes. I admire the speed and efficiency with which you have completed a really huge project. I will certainly support their earliest publication.

At this end the magnitude of the task is almost overwhelming. However, I am happy to say that the Prijedor investigation is going very well and a number of indictments will be issued over the next few months. An obvious concern is whether we will be able to lay our hands on any of the numerous defendants who will be indicted (apart, that is, from Tadic).

When the opportunity arises I would certainly welcome a visit to De Paul. It is likely that I will be in Chicago for the Annual ABA Convention in August.

With warm regards,
