Re: Williams v. Saxbe, Civil Action No. 74-186

It is my understanding that Shapiro wants a continuance of the trial date. That's why this status call was set up.

Does Brinson still want to interVene? If so he should file an appropriate motion.

4pm,
by Mar. (a) affirmative defense,
(b) can be used by and says
finger drawn

21 - 91 locked up for murder.

until 9:30 am. Mon.

74-186 - William

It is my understanding that Shapiro wants a continuance of the trial date. That's why this status conference.

7 yrs old.

Does [unclear] still want to interfere? If so he should file an appropriate motion.

1 deposition - 1 hour.

with
ability
of
parties
to
voluntarily
waive
in
writing

~~March 21~~ trial date.
inordinate delay.

Prisoners still has intervened.
another attorney.

responsibility to expedite. too long.

WAIVE
of
pretrial
order
out
of
exhibits
3/19

3 days → pretrial order waived
way out

Mon. March 19,
has to in 64.

90 days for 1 depositions.
perhaps necessary.
not.

No way brought properly.
