Civil Action No. 74-0186

O R D E R

This action is before the Court on the plaintiff's motions for an order to show cause why Harvey Brinson should not be held in contempt of court and for an order to place such pleadings under seal. According to the plaintiff, Harvey Brinson has changed his story. At earlier proceedings he asserted that he never had sexual relations with the plaintiff. At a recent deposition he indicated that such relations did indeed occur. The Court finds that any inconsistencies in the testimony of Mr. Brinson can be brought out at trial through cross-examination. It would be inappropriate to hold this witness in contempt of Court. Accordingly, it is, by the Court, this 31 day of May, 1979,

ORDERED, that the motion of the plaintiff for an order to show cause why Harvey Brinson should not be held in contempt of court be, and the same hereby is, denied, and it is

FURTHER ORDERED, that the motion of the plaintiff to place motions and exhibits under seal be, and the same hereby is, denied.
