OIL & GAS COMMISSION

SUBJECT: Termination of Appeal and Request for Stay of Execution

I have been notified by Ohio Oil and Gas Commission Executive Director Linda Osterman and Ohio Assistant Attorney General Daniel Martin, in a telephone conversation on April 8, 2014, that Ohio Department of Natural Resources, Chief of Oil and Gas Resources Management, Richard Simmers, has revoked Mandatory Pooling Order No. 2013-182 concerning the Everflow Eastern Partners L.P. (Everflow) Sisko Unit #1 in Massillon, Ohio. In addition, I was informed that a drilling permit for that unit has also been revoked, and that Everflow did not file any appeal of those revocations with the Commission.

This being the case, my Appeal (No. 857) of Mandatory Pooling Order 2013-182 and my Request for a Stay of Execution of that order pending the outcome of the appeal are no longer valid or necessary. I am therefore withdrawing both the Appeal and the Request for a Stay of Execution.

Sincerely,

James M. Huebner
