RE: SYNANON V. USA NO. 82-2303

DATE: FRIDAY, NOVEMBER 5, 1982

This is the first status call in this case. Plaintiffs seek a declaratory judgment that they are a tax exempt church. Voluminous discovery and an extensive trial have been proposed. A Motion for Partial Dismissal and a Motion to Strike Jury Demand have been filed by Defendant. Both motions are unripe.

Recommendations:

Set trial and discovery deadlines.
