

SYNANON V. USA

Judge-

DOJ filed their Motion for Summary Judgment on March 15, 1983.

Synanon was scheduled to respond by April 15th and was to advise the Court if discovery was needed.

Synanon has requested until April 15th to request discovery and until June 1st to submit their opposition.

The Rules provide 10 days to respond to motions.

Recommendation:

In light of the size of the government's submissions, the complexity of the case and the fact that it is important to appear fair and impartial (we have already ruled against Synanon on two motions) I suggest that you either grant the requested extension or shorten the response date to Monday, May 16th.
