Appeal No 752

Review of Chief's Orders 2005-47

**ORDER OF THE COMMISSION
DISMISSING APPEAL AS
MOOT**

Date Issued: December 2, 2005

Appearances: Damian P DeGenova, Counsel for Appellant Randy D Brown; Robert Eubanks, Assistant Attorney General, Counsel for Appellee Division of Mineral Resources Management.

BACKGROUND

This matter came before the Oil & Gas Commission upon appeal by Randy D Brown from Chief's Order 2005-47. This Chief's Order required the plugging or production of several oil & gas wells in Columbiana County, Ohio.

On November 23, 2005, the Division filed a Motion to Dismiss this appeal as moot. In said Motion, the Division informed the Commission that the Chief's Order under appeal has been **modified**, and is now directed to Columbiana Geological Production Company, Inc., as the owner of the wells at issue. The memorandum indicates that modified Chief's Order 2005-47 may be appealed by Columbiana Geological Production. Randy D Brown has not opposed the Division's Motion.
