*Session Chair – Dr. Henry T. King, Jr.
Canadian Speaker – Dr. H. Douglas Barber
United States Speaker – David T. Morgenthaler*

INTRODUCTION

Dr. Henry T. King, Jr.

DR. KING: Let's start our first session. I will call on David Morgenthaler first. Your remarks I wanted to – you have got all the details on David Morgenthaler, in his bio, and also my Canadian friend, Douglas Barber – it is all in the bio data. But I just want to repeat one or two things. He is the founder of Morgenthaler Ventures, a 39 year-old venture capital mega-fund with \$2.3 billion under management. David has served as director, chairman, and president of more than 30 companies, and over the last 39 years, he has developed a national reputation for industry leadership and value added venture capital investment. I don't want to take any of your time. I want to hear what you have to say on our opening subject, David. So the floor is yours.
