**OIL AND GAS  
COMMISSION**

I, L. W. Brooks, Jr. wish to withdraw my appeal hearing concerning the Reynolds #1, Muskingum Township Washington, County, Ohio, Case #710 asked for by a telephone request I received from your offices.

All requirements of the Division of Mineral Resources have been met and since I am not an oil/gas operator in the State of Ohio I requested my Certificate of Deposit in the amount of \$15,000.00 which was my required amount of the bond, you returned the CD to Peoples Bank of Marietta and they have received it according to my request to the Division of Mineral Resources

I believe this letter, requested by the Division of Mineral Resources, will close this case and since I am no longer an operator in the State of Ohio, there are no further claims by the State of Ohio against me nor do I have any claims against the State of Ohio.

Very truly yours,

L.W. Brooks, Jr.
