All accepted manuscripts are subject to editing by the *Health Matrix* Editorial Board. Manuscripts selected for publication are accepted with the understanding that editorial changes may be made to improve the readability of the article and to ensure conformity with style policy. Accepted manuscripts become the permanent property of *Health Matrix* and may not be published elsewhere without written permission.

Annual subscriptions may be entered for the entire volume for \$24.00 for both foreign and domestic subscribers. Any correspondence regarding subscriptions should be sent to the Coordinator of Student Publications at the address listed above. Single issues of the current volume are available for \$12.00 each. Back issues may be obtained from *Health Matrix*, if available. Back issues also are available in microform from University Microforms, Inc., 300 North Zeeb Road, Ann Arbor, Michigan 48106-1346, telephone (313) 761-4700.

Except as otherwise provided, *Health Matrix* grants permission for each article in this issue to be copied for use by nonprofit educational institutions, provided that 1) copies are distributed at or below cost, 2) the author and *Health Matrix* are notified, and 3) proper notice of copyright is affixed on the copies.

Selected *Health Matrix* articles are indexed in the National Reference Center for Bioethics Literature, Kennedy Institute of Ethics, Georgetown University, Washington, D.C. Volume 3 and subsequent volumes are indexed in the Index to Legal Periodicals. Selected articles also are available on Lexis/Nexis, Westlaw, and PAIS.

This issue went to press in January, 1996.

Health Matrix: Journal of Law-Medicine is grateful to the Law-Medicine Center at the Case Western Reserve University School of Law for sponsoring symposia and conferences concerning the latest developments in the area of law and medicine. During more than forty years of operation, the Law-Medicine Center has broadened its focus from issues involving forensic medicine to the entire range of legal, social, economic, scientific, and ethical issues in which law and medicine interrelate.
