Re: Oil and Gas Board of Review Appeal No. 80

Dear Mr. Vance:

A hearing in this matter has been set for June 22, 1984 at 9:45 a.m. The hearing will be held in the Assembly Center on the ground floor of Building E, in the Fountain Square complex off Morse Road, here in Columbus. The Fountain Square complex is just east of the Northland Shopping Center on Morse Road, which is on Morse Road east of I-71.

If there is any possibility of arriving at a settlement in this matter prior to the hearing please do so. The Board has a full load of cases set for hearing and does not appreciate waiting while parties work out settlements and agreements which could have been discussed with the Attorney General by telephone prior to the hearing. If a settlement or stipulation is possible, please contact Mr. Dan Hanket, Assistant Attorney General, at the Division of Oil and Gas, to work out the details. If Mr. Hanket is not personally handling your case he will refer you to the attorney that is handling the case. Mr. Hanket's phone number is (614) 265-6914.

If you have any questions, please give me a call.

Very truly yours,

George M. Hauswirth
