This Foreword is brought to you for free and open access by the Student Journals at Case Western Reserve University School of Law Scholarly Commons. It has been accepted for inclusion in Case Western Reserve Journal of International Law by an authorized administrator of Case Western Reserve University School of Law Scholarly Commons.

PREFACE

It has now been over ten years since the United States entered into the Nuclear Test Ban Treaty. In the first article of the *Journal*, Bernhard G. Bechhoefer examines the Treaty and its effect on the nuclear arms race. He explains that the Treaty was envisioned as a limited treaty and a basis for more restrictive treaties. In the final analysis, Mr. Bechhoefer finds that some, but not all of the objectives of a complete test ban have been achieved.

The practice of release on bail in India is the topic of our second article. Frederick I. Taft developed this article after a visit to India where he made an intensive study of the release procedure in the town of Patna. He considers the present system and suggests remedies and alternatives which may be beneficial to Indian criminal procedure.

Due to recent changes in Mexican divorce law, the "quickie" divorce is no longer possible there. The student note considers what has been suggested as an alternative to the Mexican divorce, in the country of Haiti.
