## FOREWORD

The editors of the WESTERN RESERVE LAW REVIEW present in this issue the seventh annual survey of significant developments in the law of Ohio.

In conformity with the pattern heretofore set, this survey essentially has been written by members of the faculty of Western Reserve Law School. The cases surveyed are those which were reported between January 1 and December 31, 1958. Cases decided in 1958 but not reported in that year will be considered, if deemed important, in next year's survey.
