This Front Matter is brought to you for free and open access by the Student Journals at Case Western Reserve University School of Law Scholarly Commons. It has been accepted for inclusion in Case Western Reserve Law Review by an authorized administrator of Case Western Reserve University School of Law Scholarly Commons.

PREFACE

In an effort to outline a practical approach to some problems encountered by the personal-injury lawyer, the Review has drawn upon the valuable experience of men who are practitioners as well as scholars. While there is a plethora of articles dealing with personal injury problems generally, some basic matters are relatively unexplored. Among those matters are the investigation and preparation of cases for trial. The articles in this issue examine techniques of investigation, and procedures involved in the preparation of personal injury cases.
