PREFACE

This issue draws to a close the Review's annual survey of Ohio law. Hereafter, significant legal developments in Ohio will be published in each issue of the Review. Thus, our readers will be afforded an additional annual symposium or general issue along with a continual review of significant new decisions and statutory law in Ohio.

In this issue the cases surveyed are those which were reported between January 1 and December 31, 1962. In a few instances cases reported in early 1963 have been included, either because of their relationship to 1962 cases which are discussed or because of their own special significance.
