Discussion Following the Remarks of Mr. Trezise and Mr. Reisman ................................................................. 10:85

The Case Against United States-Canada Free Trade Agreement
Mel Watkins (REM) .................................................................. 10:89
Discussion Following the Remarks of Professor Watkins .... 10:97

External U.S. Commitments Affecting Possible Additional Products for Sectoral Integration
Donald E. deKieffer (P) ................................................................. 10:101

External U.S. Commitments Affecting Possible Additional Products for Sectoral Integration
Donald E. deKieffer (REM) ............................................................ 10:107
The Framework and Process of Canada-United States Trade Liberalization  
*Frank Stone (P) ......................................................... 10:111*

External Commitments of Canada Affecting Possible Additional Sectoral Integration  
*Frank Stone (REM) ...................................................... 10:119*  
Discussion Following the Remarks of Mr. deKieffer and Mr. Stone ......................................................... 10:127

Macroeconomic Perspectives of Canada-U.S. Trade Agreements  
*Carl Beigie (REM) ...................................................... 10:131*  
Discussion Following the Remarks of Mr. Beigie ......................................................... 10:131

The Impact of U.S. Federal Laws on Sectoral Integration  
*Peter O. Suchman (REM) ............................................. 10:141*

Trade Laws: A Canadian Perspective  
*Robert E. Latimer (REM) ............................................ 10:157*  
Discussion Following the Remarks of Mr. Suchman and Mr. Latimer ......................................................... 17:107

The Role of State and Provincial Governments in Canada-U.S. Sectoral Integration  
*Earl H. Fry (P) ......................................................... 10:169*

The Role of Subnational Governments in Sectoral Integration  
*Earl H. Fry (REM) ...................................................... 10:189*

Federalism and Foreign Economic Relations  
*John Quinn (REM) ...................................................... 10:197*  
Discussion Following the Remarks of Professor Fry and Professor Quinn ......................................................... 10:221

The Case for a U.S.-Canada Free Trade Agreement  
*Alan Wm. Wolff (P) ..................................................... 10:225*

Observations on the Implementation of a U.S.-Canadian Free Trade Agreement  
*Alan Wm. Wolff (REM) .................................................. 10:235*

Implementation of Sectoral Integration  
*Frank Stone (REM) ..................................................... 10:245*  
Discussion Following the Remarks of Mr. Wolff and Mr. Stone ......................................................... 10:251
VOLUME ELEVEN

CANADA-UNITED STATES ECONOMIC TIES: THE TECHNOLOGY CONTEXT

The Importance of Intellectual Property in Trade Between Canada and the United States

_The Honourable Michel Côté (REM)_ .............................................................. 11:7

U.S.-Canada High Technology Trade Issues

_Harvey E. Bale, Jr. (REM)_ ........................................................................... 11:13

Discussion following the Remarks of the Honourable Michel Côté and Dr. Bale, Jr. .................................................................................. 11:19

Intellectual Property Protection in Canada: The Technology Challenge

_James Keon (REM)_ ....................................................................................... 11:27

Overview of the United States Intellectual Property System: Current Issues

_Michael S. Keplinger (REM)_ ........................................................................ 11:51

Discussion Following the Remarks of Mr. Keon and Mr. Keplinger .................. 11:65

The Relation of Intellectual Property Rights to Cross-Border Trade in the E.E.C.

_Hans Smit (REM)_ ........................................................................................ 11:69

Discussion Following the Remarks of Professor Smit ........................................ 11:81

Patent Laws of the United States and Canada: Similarities and Differences

_Roy V. Jackson (REM)_ .................................................................................. 11:83

Differences Between United States and Canadian Intellectual Property Laws – Real and Apparent

VOLUME TWENTY-FIVE

THE IMPACT OF TECHNOLOGICAL CHANGE IN THE CANADA/U.S. CONTEXT

The Dimensions of Technological Change

B.F. Mathaisel (S) ..................................................................... 25:15

Challenges of Technological Change: Catching Up With “The Jetsons”

Andrei Sulzenko (S) ................................................................. 25:25
Discussion Following the Remarks of Mr. Mathaisel and Mr. Sulzenko..................................................................... 25:47

Introduction: People Aspects of Technological Change: Immigration Issues, Labor Mobility, the Brain Drain, and R&D

Hiram Chodosh (IR) ................................................................. 24:55

People Aspects of Technological Change: Immigration Issues, Labor Mobility, the Brain Drain, and R&D – A U.S. Perspective

James D. Van Erden (S) ............................................................ 25:57

People Aspects of Technological Change: Immigration Issues, Labor Mobility, the Brain Drain, and R&D – A Canadian Perspective

Don DeVoretz (S) ................................................................. 25:71
Discussion Following the Remarks of Mr. Van Erden and Prof. DeVoretz ..................................................................... 25:77

Technological Change in the European Union: Key Issues Including Commonality of Standards, Integration as Promoting Change, and Impact of Change on a Unified Economic Grouping

Richard Wainwright (S) .......................................................... 25:85
Discussion Following the Remarks of Mr. Wainwright............. 25:93
Introduction: Protecting and Exploiting U.S. and Canadian Intellectual
Property Abroad in a Technologically Changing World Economy
    Thomas A. Ladd (IR) ................................................................. 25:99
Protecting and Exploiting U.S. and Canadian Intellectual Property
Abroad in a Technologically Changing World Economy – A U.S.
Perspective
    Eric J. Schwartz (S) ................................................................. 25:101
Protecting and Exploiting U.S. and Canadian Intellectual Property
Abroad in a Technologically Changing World – A Canadian Perspective
    T. Gary O’Neill (S) ................................................................. 25:113
Discussion Following the Remarks of Mr. Schwartz and Mr.
O’Neill ................................................................................ 25:123
Product Liability Aspects of the Risks of Technological Change – A U.S.
Perspective
    Malcolm Wheeler (S) ................................................................. 25:129
Product Liability Aspects of the Risks of Technological Change – A
Canadian Perspective
    Philip Spencer, Q.C. & Glenn M. Zakaib (S) ......................... 25:139
    Discussion Following the Remarks of Mr. Wheeler, Mr. Spencer, and
    Mr. Zakaib ........................................................................ 25:151
Introduction: The Public Dimension of Technological Change: Impact
on the Media, the Citizenry, and Governments
    Marcella M. Szel (IR) ................................................................. 25:155
The Public Dimension of Technological Change: Impact on the
Media, the Citizenry, and Governments – A U.S. Perspective
    Christopher T. Hill (S) ................................................................. 25:157
The Public Dimension of Technological Change: Impact on the
Media, the Citizenry, and Governments – A Canadian Perspective
    David Crane (S) .................................................................... 25:167
    Discussion Following the Remarks of Dr. Hill and
    Mr. Crane ........................................................................... 25:175
Introduction: Raising Venture Capital Aspects of Technological Change
    James McIlroy (IR) ................................................................. 25:185
The U.S. Institution Private Capital Market: A Turbo Tour
    James T. Bartlett (S) ................................................................. 25:187
Raising Venture Capital Aspects of Technological Change – A
Canadian Perspective
    Denzil Doyle (S) .................................................................... 25:201
    Discussion Following the Remarks of Mr. Bartlett and
    Mr. Doyle ........................................................................... 25:209
Comparative Tax Aspects of Technological Change in the Canada/U.S. Context: The Total Tax Burden on People and Corporations:

U.S. Vis-à-Vis Canada – A U.S. Perspective

*H. David Rosenbloom (S)* ........................................................... 25:221

Observations on a Presentation Given on the Comparative Tax Aspects of Technological Change in Canada and the United States

*David L. Burn (S)* ................................................................. 25:229

Discussion Following the Remarks of Mr. Rosenbloom and Mr. Burn ........................................................................... 25:249

Introduction: The Impact of Technological Change on Developing Countries

*J. Michael Robinson (IR)* .......................................................... 25:257

The Impact of Technological Change on Developing Countries

*Eric R. Biel (S)* ........................................................................ 25:261

Discussion Following the Remarks of Mr. Biel ........................................................................................................ 25:271

Introduction: Technology Competition and the Consumer

*Sanford Yosowitz (IR)* .............................................................. 25:277
